

Centercourt COVID-19 Guidelines

Coaches, athletes, staff and spectators (when permitted) are required to adhere to the following safety guidelines while attending any Centercourt Program:

BEFORE:

1. SYMPTOM CHECK

- a. Are you exhibiting any Covid-19 related symptoms
 - Fever, chills, cough, shortness of breath, sore throat, fatigue, headache, muscle/body aches, runny nose/congestion, new loss of taste or smell, or nausea, vomiting or diarrhea?

2. CONTACT CHECK

- a. Have you been in contact with any individuals that have tested positive for Covid-19 within the last 14 days?

3. TRAVEL CHECK

- a. Have you traveled outside of NJ in the last 14 days to an area that is on the list of New Jersey Travel Restrictions?

DURING:

1. TEMPERATURE CHECK

- a. All attendees will have their temperature checked upon arrival. Any individual with a temperature at or above 100.4 will be asked to vacate the premises.

2. FACE COVER CHECK

- a. All attendees will be required to wear an appropriate mask or face cover at all times when inside our facilities.
- b. Student athletes are not required to wear a face covering when participating in physical activity.

3. SOCIAL DISTANCING

- a. While not participating in on-field activities, participants are asked to respect social distancing protocols.
- b. When permitted, we ask all spectators to maintain social distancing unless gathered with a member of their immediate household.

AFTER:

1. SYMPTOM CHECK

- a. Should you begin to exhibit any Covid-19 symptoms after a Centercourt program or test positive for Covid-19, we ask that you contact us immediately so we can execute contact tracing in a timely manner.
- b. Any individual exhibiting symptoms or testing positive for Covid-19 will not be permitted at Centercourt programs.

2. CONTACT CHECK

- a. Should you come in contact with anyone that has been exposed to Covid-19 or tested positive for Covid-19, you will not be permitted to attend a Centercourt event until you receive a negative Covid-19 test or have quarantined for 14-days.

3. RETURN TO PLAY

- a. Athletes who tested positive will be permitted to return to Centercourt programs after a 14-day quarantine.

CONTACT TRACING PROTOCOL:

Positive/Suspected COVID-19 Cases in accordance with CDC guidance, individuals who are confirmed or suspected to have COVID-19 should practice isolation measures and contact a primary care physician. *In no event should anyone participate in Centercourt programs, leagues and events (including any parent/caregiver of a player or any potential spectator) who is, or suspects they are, COVID-19 positive.*

Any participant who tests positive (or member of their household test positive) must contact BOTH the Facility Director and Sports Director at the Centercourt location in which the athlete trains - AS SOON AS POSSIBLE.

CREDIT

If programs are postponed due to a positive case, the participants in that program will be credited for the cancelled sessions. Programs will resume after the 14-day quarantine period.

Air Flow/Filtration

All Facilities are supplied a constant flow of fresh air through air circulation systems. All filters are changed prior to the start of the season and changed monthly.

Sanitation and Hygiene

The facility will have hand-sanitizing and hand-washing stations at several locations throughout the property. Daily cleaning, sanitation, and disinfection of all surfaces and equipment will be completed by a professional cleaning staff. Daily cleaning and wipe-downs of congregation areas, surfaces, and equipment will be performed throughout the day and in between uses by our staff.
